## 2. Live Session Page

The service page has two different tabs.

The first tab is the live-stream video of the current program.

The second tab is "By Schedule," which provides video links to each plenary session listed in the overall schedule of the conference.

There are three different type of video links provided:

- 1.) "Recorded Video" for past events,
- 2.) "Current Session Live Video Link" for ongoing sessions,
- 3.) "To be streamed link" for upcoming sessions.

#### 3. Select Timezone

By clicking "Select Your Time Zone" at the top of the Schedule, you will see a total of 7 city time zones. If you choose a Time Zone, the times will change and be displayed according to the time zone of that city.

#### 4. Closed caption for videos

We will provide closed captions for most of the program in Spanish and Korean. If we cannot provide closed captions for any programs, you can turn on YouTube's automatic closed caption and translation by clicking the "CC" button at the bottom or top of the video screen.
