

Milwaukee UBF "More than Conquerors" Resurrection Conference

(Report by Bradley James Tetzlaff)

All praise and glory to God for the 2024 Milwaukee UBF resurrection conference titled “More than Conquerors” through Christ Jesus and the Holy Spirit! The key verse for the conference was from Romans 8:37. Messages by Hezekiah V., Dr. Peter K., and David J. spoke clearly and powerfully on the victory we can have through Christ’s completed work in his death on the cross, his conquering over the grave to give us eternal hope, and the daily walk by the Holy Spirit we can have because of his enduring love for us. We praise God especially for answering our prayers in raising up a praise team for the conference that led us to worship God with songs from the heart. We were so blessed by Romans 8 memorization recitation by Jehee, and worship by Msn. Paul and Naomi Dang, “You Raise Me Up” Euphonium solo by Hezekiah, and learned about the significance of Handel’s Messiah from Professor Mark J. We could give glory to God through hearing the testimonies of Jacob, Rebecca, and Jenni that showed his grace to each of them as they came to faith. Jenni DeJesus Reyes also made a commitment to follow Jesus through baptism. Not only that, but Msn. Paul Dang and Pastor James received God’s vision in dreams the Tuesday before the conference and we could tell the spiritual battle was being won by the Lord. Even Msn. Abigail, who prayed at the sanctuary for 30 days before, was healed from illness by Jesus’ love as she played the piano during worship on Sunday. We rejoice in Jesus’ victory that we can be “More than Conquerors” in his love, as shown through this conference together. Please pray that we may uphold the Gospel and that God’s light, hope, and provision will be with those in the Milwaukee area and beyond.
