

UBF Zambia Short Report

14 July 2024

Students are currently on break. Despite this, we had a fruitful group Bible study with Clifford, Chishimba, Chilufya, Elvis and Gift.

This week, I conducted a one-to-one Bible study with Chilufya to prepare him for our group Bible study at the University of Zambia. We are praying for Chilufya to become a good Bible teacher and messenger.

II; One on one Bible study with Chilufya

III; Saturday Group Bible Study

From my side going around (to my right side) is:

1. Gift who's in second year studying medicine
2. Next is Elvis who's in first year studying mathematics
3. Clifford is in first year studying Actuarial Science
4. Then Chilufya in glasses who's in second year studying business administration
5. And finally, in a red top is Chishimba who's also in first year studying Electrical/Electronics Engineering.

Additionally, we had an online one-to-one Bible study with Luke. Luke is eager to learn the word of God, and we are praying for him to maintain his Christian faith even while living in a Muslim country.

Our worship attendance this week was 8 members. We are praying to invite more students once the break finishes.

IV; Messenger: Chilufya Singoyi, Title Believe in the Lord Jesus Christ and you Will be saved. Acts 16:11-40
