

2024 ESBC "See, I am doing a new thing!" Testimony (Jean Kim, France, haejinkstar@gmail.com, Kakao talk ID: KAISTUBFShep)

Isaiah 43:19 "See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland."

By the grace of God, during the COVID-19 period, I met with 2nd generation missionaries from Europe and started online Bible reading meetings (in Korean and in English) with them. I give thanks to God for blessing spiritual fellowship with many young people through Bible reading meeting in small group, helping them personally to experience the Word and gain spiritual joy and growth with the word and prayer. Bible reading in small group helps young people to read Bible together and grow spiritually and become disciples of Jesus and competent Bible teachers by serving small groups in faith in Jesus based on the word of God. Through 2024 ESBC, God told me. "See, I am doing a new thing! Now it springs up; do you not perceive it?" Over the past 3 years and 6 months, God has raised up 6 young Bible reading group leaders. I pray that many young people around the world continue to join online Bible reading groups and read the words of God together and experience the word of God personally. I also pray that they can grow into as friends of faith and co-workers of God's gospel and world mission ministry. I would like to introduce 15 online Bible reading (in Korean/English/German/French) in small groups that will continue in September.

Please join global Bible reading groups, anyone who wants to read Bible and experience a personal relationship with God through the word of God and prayer.
