

JESUS IS BOTH LORD AND CHRIST

Acts 2:22–41

Key Verse: 2:36

1. How did God show who Jesus is (22)? What happened to him, and why (23)? How did God respond to this (24), and what does this tell us?
2. What did David prophesy about Jesus (25–28; cf. Ps.16:8–11)? How does Peter interpret this (29–32)? Why is it important that Jesus' resurrection fulfilled this prophecy?
3. What else does Peter say about Jesus (33)? What other prophecy of David is fulfilled in this (34–35)? As a conclusion, what does Peter proclaim (36)? How do the people respond and why (37)?
4. What does Peter tell the people to do and why (38a)? What would they receive (38b)? Who else is this for (39)?
5. What else does Peter do and say, and why (40)? How do the people respond (41)? What can we learn from this?
