Ephesians 6:10-20

Key Verse: 6:11, "Put on the full armor of God, so that you can take your stand against the devil's schemes."

1. What comes to your mind when you think of Christian life? How often do you think of Christian life as spiritual warfare?
2. Read 6:10-13. What are we told to do and why? What can you learn here about the reality of Christian life? Who or what are the enemies Christians are to fight against?
3. Read 6:14-17. Identify the different parts of the armor of God. How is each part vital in spiritual warfare? Which part do you use most in your battles and which part do you need to utilize more?
4. Read 6:18-20. What command is repeated in these verses? What does it mean to pray in the Spirit? Notice the repeated word "all" in verse 18. Who and what are we to pray for? Why is prayer so critical in spiritual warfare?
5. How is spiritual warfare related to our study of the book of Revelation? How can we engage in spiritual battle both personally and as a community?
