

JESUS IS THE WAY, THE TRUTH, AND THE LIFE

JOHN 14:1-14 | KEY VERSE: 6

1. Read 1-4. Why were the disciples' hearts troubled at this time? What command and promise did Jesus give them? What comfort and hope does this give believers?
2. Read 5-6. How did Thomas respond? What did Jesus teach about himself and the way to God? Why is Jesus the only way to the Father (Romans 6:23; Acts 4:12; 1 Timothy 2:5-6a)? What are some ways that people try to get to God apart from Jesus?
3. Read 6 again. What does it mean that Jesus is the truth? (John 8:31-32) What are some false truths that people believe? How is Jesus "the life"? How do people seek life apart from Christ? How does believing Jesus is the way, the truth and the life give us hope and direction of life?
4. Read 7. How is knowing Jesus related to knowing the Father? Read 8-11. What request did Philip make and how did Jesus answer him (John 17:3)? Read 12-14. What did Jesus say believers would do and how would that be possible?

Application: If you accept that Jesus is the way, the truth, and the life, how would or does this show practically in your life?
